

## JAKES/Extreme JAKES™

Juniors Acquiring Knowledge, Ethics and Sportsmanship.

The Porter Wagoner JAKES Field Days are dedicated to providing interactive outdoor educational opportunities for youth 17 and under.

Porter Wagoner JAKES Field Days are conducted by local NWTF chapters to teach hands-on learning activities throughout the nation.

The spirit of conservation and the tradition of hunting have been passed from one generation to another for centuries.

The NWTF JAKES program will help keep this legacy alive and well as we continue to educate our youth about conservation and the safety of hunting.
